Will the outputs of the grant be used for any upcoming energy industry consultations or reviews? *

- Yes
- No

Consultation/review details

While this will not impact the outcome of your grant application, Energy Policy WA may endeavour to determine the outcome in an expedited manner if the grant outputs are going to be used for an upcoming energy industry consultation or review.

Please list the consultation/review process here

Who is undertaking the consultation/review?

This could be the ERA, Energy Policy WA, Synergy or another entity.

Please advise the closing date of the consultation/review (if known)

Must be a date.

Selection criteria

* indicates a required field

Selection criteria 1 - Relevance to the Western Australian energy sector

Please outline the energy sector proposal or issue to be addressed, your stance or position and anticipated response. Has this issue been addressed by others, and if it has then how is this project different? (maximum 200 words) *

Word count:

Must be no more than 200 words.

Section criteria 2 - Impact on consumer group identified

Please outline the consumer group you will represent, their sentiment/needs, and the impact/potential impact of this issue/change (maximum 200 words) *

Declaration

I understand that

- WA ACE Small Grants will be assessed by a panel who make a recommendation to the Coordinator of Energy for determination within 15 business days (unless another determination period is agreed to).
- A decision made by the Coordinator in respect of a grant application is final.
- Grant conditions and management protocols will apply to successful projects.
- Energy Policy WA will publish all written reports and materials arising from a grant on its website.
- Funding agreements require all publications relating to the project to carry the following disclaimer:
 - "This project was funded by the Government of Western Australia (Energy Policy WA) as part of its grants process for consumer advocacy projects and research projects for the benefit of consumers of electricity and gas. The views expressed in this document do not necessarily reflect the views of the Government of Western Australia or Energy Policy WA." Note: Confidential information or information impacting privacy will be removed prior to publication.
- Energy Policy WA reserves the right to have a third party assist with the administration of the WA ACE Grants Program.
- All grant agreement information is subject to Freedom of Information provisions.

I declare that the information given in this Small Grants application form and all attached documents is complete and correct to the best of my knowledge, information and belief, and if submitting on behalf of an organisation that I am authorised to do so.

I have read and understood the declaration *

Yes

Date of Declaration *

Must be a date.

Contact Energy Policy WA to check eligibility

- Please note, while this page is displayed when previewing the form, it is only intended to be seen by people that selected yes to being employed by or associated with the Western Australian Public Service, energy sector participants or governance bodies.

From the information provided it seems that you are not eligible to apply for a WA ACE Small Grant. However, if you are unsure if you are eligible then please contact Energy Policy WA to discuss your specific circumstances.

The office number is (08) 6551 4600, or email epwa-grants@dmirs.wa.gov.au, quoting your application number and best contact details (including a contact time if that is applicable).
